

St. Patrick's Day Green Slime

PHOTO BY PARKER FEIERBACH

INGREDIENTS

- 1 (5-oz.) bottle clear glue
- 1/4 c. water
- Green food coloring
- Glitter of choice, gold, multi-colored
- 1 tsp. baking soda
- 1 tbsp. eye contact solution (with borate)

INSTRUCTIONS

1. In a medium bowl mix glue and water together. Add green food coloring until desired color is achieved, then stir in glitter.
2. Add baking soda and eye contact solution. Once thickened, knead with your hands until no longer sticky.
