Clue #1

What a great day for a hunt,
but first you need some luck.
Here's a clue,
just a hunch.
**Look in the place you'll eat
your lunch.**

Clue #2

Now that you have your
Trinity bag,
you have no time to lollygag.
Run fast, look sharp
and you will find
the Irish harp left behind.

Clue #3

Oh my, you're having fun.
Now hurry fast,
run, run, run.
Look **high not low**,
and you will see
seven colors so pretty.

Clue #4

It's time to find the shamrock.
Where might it be?
Look for green, maybe gold,
**look in that place that's
always cold.**

Clue #5

He needs a hat
to be complete.
Green and gold,
to match his feet.
Of course you'll want to look
inside a place a leprechaun
likes to hide.

**Gran's tip: Where might you
keep your hats.*

Clue #6

Fairy wings and magic dust
are really very cool.
A wand, however, a fairy wants.
It's a truly trusty tool?
**Look in the place your
treats are hid**
and see what you can find.
A fairy wand is special.
It will really blow your mind.

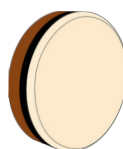

Clue #7

Soon you'll be hunting
a bag of gold
and a pot might come in handy.
Really think,
take a peak,
and **check out Granny's
pantry.**

Clue #8

A shamrock is green,
a bodhrán's
a drum.
Go outside
and have some fun

Clue #9

Now, stay in the yard
and think real hard.
There's one more treasure
to find.
Your reward can be found
**where the postman
comes round.**
Go check what's left behind.
